Freshman

## • About me

Hi , I'm Pham Ngoc Tan ,I came from Hung Yen province and curenly living in Hanoi to serve that purpose of education

With 1 yrs self-experinces with front-end developer , now I'm looking for Internship Front-end web development .

Although I am just a freshman, I have been exposed to and learned about front-end development since high school, and have been able to manage my time flexible. I hope that the company can consider me for the position.

Thanks for reading!
